Note from Lifespark Chaplain:

One of the highlights of the summer season is the prevalence of music! Our communities burst with opportunities to hear live music, and the summer brings gatherings and occasions with music at the center. Every July, I love hearing a live rendition of "Stars and Stripes Forever" by John Philip Sousa. The piccolo solo toward the end always stirs my spirit and transports me to summers as a child sitting on the grass listening to an orchestra before the fireworks display. This music makes me feel full and alive and free. What are the songs of summer that bring you joy, make you feel alive, or stir in your soul? Why do they carry special meaning for you? What memories do they pull forward? What values or core beliefs do these songs remind you of whenever you hear them?

SPARK PERFORMANCES

Our next spark challenge, Grip Games, is starting up on Tuesday, July 15th at 1PM! Stay tuned for more information!

- Why did the golfer bring two pairs of pants?
- In case he got a hole in one!
- Why were the ducks happy about the 4th of July celebration?
- There were fire-quackers!
- Why did the ice cream truck break down?
- It had a rocky road!
