Happy New Year to families and friends!

2025 was a year filled with changes and adjustments that we hope are providing an overall better standard of care. In January we will be working on action plans to address the concerns of families that you all reported, and we identified in the recent resident & family survey that were sent back in November. We are excited to give you more updates as they come in the new year.

Our next family council meeting will be January 8th at 5:30pm

Executive Director***

Here we are, looking at a new year. I hope you all had a wonderful 2025 and that 2026 treats you well.

We have some new entertainment lined up for this next year, and of course our favorites will be back again in 2026.

Please use the suggestion boxes to give your ideas of trip suggestions, games, crafts, or anything else you would like to see in the next year ahead.

Thank you to families for your generosity at Christmas time with Toys for Tots, which we had 35 toys donated. Also for those who adopted a resident from the tree, we really appreciate all of you.

Here's to a great year ahead!
