February *Newsletter*

Hello all,

The past few weeks have been challenging times for Minnesota in many ways. Despite the impact that its had on our caregivers, they remain focused on providing quality care and safety to our residents. We recognize how upsetting world events can be to our residents and we are asking that families refrain from discussing it with them. We have taken measures such as continuing not to turn on news channels in any common areas and locking our front door at all times now.

We have noticed a lot of clutter in some of the apartments and in an effort to prevent and reduce falls we are asking friends and family to remove any clutter that could become a hazard. We appreciate your help with this.

Our next family council meeting will be Thursday February 5th at 5:30 p.m.

***Deborah Ashamu
Executive Director***

February is here.

Let's hope the bitter cold weather is behind us.

We have podiatry coming to our building on Friday February 13th.

Housekeeping would like to remind everyone to clean out your refrigerators regularly to dispose of outdated food. We don't want anyone to get sick.

Our first Spark performance for 2026 is underway. We have started the Try-athlon, where we walk on Tuesday and do arm and leg crank on Thursday. We are always looking for new residents to join our Centerville Cranes team. We play against other Lifespark communities. It's a fun and friendly competition for all.

I would love to hear suggestions on future outings that you want to go on, also ideas for games, prizes or anything else you would like to suggest.

I hope you all have a great month ahead.

Mindy La Clair

Community Life Director

Entertainment
