'Adventures w/ Fred & Harley in Minnesota'

Elderly man, Fred, and his grandson Harley, are enjoying time in their cabin in Bemidji, MN. They brought their white and brown doggie, Bob, with them on their hitchhike from Florida! They brought along sweaters and rugs from Aunt Bee. Fred and Harley picked up 2 more dogs, Bud and Jeff, on the way. They're enjoying each others companionship by praying, holding hands, and sharing stories. Inside the cabin they're also enjoying the warmth of the fire while spending time on the warm rug. They started up a campfire for smores and sloppy joes! Outside, the land is covered in trees and snow. Ralph, Fred's horse, is out in the barn on standby to take Fred and Harley on an adventure in the snow. Their neighbor, Gary, parties all night long! During the day, all he does is sleep! When Gary's awake, watch out! He tends to make his way into the barn and take off with the snowmobile! They're having a nice time together in Bemidji, MN for a week before heading back to Florida.

Note from Lifespark Chaplain:

"I understand once again that the greatness of God always reveals itself in the simple things."
- Paulo Coelho

So often we look for the divine in the big moments. We watch for earth-changing miracles that we cannot explain outside of faith. And yet, every day each one of us has the same number of moments – hours, minutes, seconds – in which to experience meaning and purpose. When you consider your own spiritual journey, have you experienced sacred moments or holy encounters in the simple things? What brings a smile to your face when you see it? Who brightens your day with a simple word of greeting? What scripture or poem or song brings peace to your soul? These are the simple things. May we recognize them with gratitude and find our purpose all around us.
